A Message from the Principal

Dear Parents, Carers and Community members,

Welcome back to Term 3! I hope that everyone enjoyed the break and had lots of fun getting out and about in the community.

We are all looking forward to having a very exciting and productive Term 3. Student Support Group (SSG) meetings are happening at the moment throughout the school and it is great to see so many families meeting with teachers to set important learning goals together. If you have been unable to meet with your child's teacher this week please make a time that is convenient in the coming weeks. Staff will be in touch with you very shortly to organise this.

The weather is very cold at the moment so please send your child to school in appropriate warm clothing. If you need assistance purchasing uniform pieces please get in contact with classroom staff or our Allied Health Team.

I will be on maternity leave for the next two terms, Bronwyn Welch one of our Assistant Principals has taken over for me and other members of the school's Leadership Team will be supporting each other to start implementing some exciting and valuable new programs throughout the second part of the school year.

Building work has begun on the Inclusive Schools Fund Sensory area at the rear of the school. We are looking forward to showing you the changes in the area as time progresses.

See you all very soon.

Brooke Briody
PRINCIPAL

Collect the stickers when you shop at Woolworths and pop them in the collection box in the Administration office or send them into school in your child's Communication Diary.
