

# Preparing for Adulthood

Programmes from ASDAN specifically designed for learners with special educational needs and disabilities

## *New Horizons*

- an activity-based curriculum for ages 9–13
- supports PSHE, Citizenship and Careers
- contains activities within a framework of five modules: Personal, Social, Health, Citizenship, Relationships

## *Transition Challenge*

- accredits independent living and personal skills for learners aged 14–16
- the Sensory programme offers a developmental curriculum for PMLD learners
- the Introduction and Progression programme contains activities linked to curriculum subjects

## *Towards Independence*

- a framework of activities to develop personal, social and independence skills
- for young people (aged 14+) and adult learners with moderate, severe or profound and multiple learning difficulties
- more than 70 modules to choose from

## *Workright*

- a programme to develop basic transferable employability skills
- for young people (aged 14+) and adult learners following a work-based or work experience programme
