Welcome back everyone to Term 2.

It is, once again, so good to return to see smiling faces from both students and teachers. I hope that you and your children enjoyed the Easter break.

I have already had so much fun chatting with some of our students who have been educating me on the 'very best' things to do during the school holidays. I have made some mental notes and will attempt to do with my own children some of the many exciting activities your children have told me are 'must dos'.

SMOKING CEREMONY

On Wednesday 4 May 2022 there was a Welcome to Country and Smoking Ceremony conducted by respected Wurundjeri Elder Aunty Zeta Thomson on our school grounds. We had 3 generations of Wurundjeri women on site on Wednesday and it was certainly an experience I will never forget.

The purpose of this Smoking Ceremony was to cleanse the grounds and people of bad spirits prior to the new build commencing - much like a foundation stone.

The ceremony was a very moving event and concluded with some of our students from all year levels placing their hands in paint and adding to the mural at the front of the school.

All classes had live streaming of the ceremony to their classroom so they could participate in the event. We would have loved to have had more of our community attend the ceremony in person, however, due to the location being in a construction zone, we had limited safe space.

I'd like to take this opportunity to thank Aunty Zeta Thomson, Simone Thomson and Uncle Keith. I would also like to acknowledge Jamie Polich for his continued commitment to our Indigenous students and the wider community.

SSGS

It was so lovely to welcome some of you back on site for SSG's at the end of Term 1, it felt for the first time in a long time, that things are really starting to return to normal. Regardless of whether you attended your SSG in person or over the telephone, I hope you will agree that these meetings are extremely beneficial.

To establish and maintain a connection between you and your child's classroom teacher really allows a bespoke approach to your child's education which enables our students to blossom and become the very best that they can be.

Thank you for your continued support with this process.

BUILD UPDATE

Behind the hoarding, some amazing work happened over the holidays. The whole area has been cleared and ready for the foundations to start. We meet every fortnight with the builders to ensure everything is as safe as it can be for our students and staff.

Title: Making Parenting a Little Easier

Being a parent or carer is a demanding task under any circumstances, and doing so when a child has additional needs or displays behaviours of concern increases the difficulty. These situations are often amplified as the child's challenges collide with typical developmental changes all children experience. Parents can become at odds with the child, or even between themselves, when searching for the best responses to these tough situations. Other children in the home can also be impacted, as the problem circumstances become a common part of their day as well.

This presentation will provide you with flexible alternatives you can draw upon to teach new skills at home, help establish daily routines, and effectively respond to these challenging situations.

About the presenter:

Dan Petro is a Behaviour Analyst and director of Behavioural Resources Australia Pty Ltd. Dan's work in over 200 Australian schools and organisations has shown him to be an engaging and popular presenter. His academic background includes degrees in both behavioural science and counselling psychology, and Dan's professional work uses content from materials he developed as an adjunct faculty member at universities in California.

Dan has trained hundreds of parents of both typical children and children with additional needs. Attending one of his workshops is a comfortable way to discover (or rediscover) those straightforward, effective parenting practices that can make a significant difference for everyone.

Have a great weekend! Brooke Briody

P13 has settled in well to term 2! They have been lucky enough to do some cooking, music lessons, lots of art and craft as well as lots of learning!

P13 has shown a lot of interest in the diggers whilst the building works are underway so we have centred some of our work tasks around this.

MSS Parent Engagement Group (PEG)

invites all parents to join:

Making Parenting a Little Easier

Straightforward, effective parenting practices that can make a significant difference

Wednesday 18th May 1.00pm at MSS

Afternoon tea and coffee will be provided for attendees.

Further information about Dan and RSVP details can be found in Brookes letter above.

In the lead up to Easter, students participated in an Easter Egg Hunt! It was an awesome day.

Specialist Disability Practitioner Support

The Specialist Disability practitioner support

program aims to help vulnerable families

with children or parents with a disability to

ensure that they have access to disability

support needs, particularly through the

NDIS. The program helps families navigate

their way through the different types of

support offered such as disability support,

disability advocates, disability services

providers and mainstream services

Yard-Time Programs

IT ENGAGEMENT

Offers students who are interested in joining clubs such as basketball club, music club, radio club, etc. It encourages students to engage with their hobbies and community.

Student Representative Council

Enables students to have a voice and initiative to come up with ideas to enhance their learning experience. SRC Focuses on teamwork, leadership skills and communication skills

For RUstillOK day this month, SET are focussing on using music and movement to energise students and lift their mood! Our music therapists Brede and Jess are teaming up with Aleks and Lily from the speech team to create a KWS video for the song "Cover Me In Sunshine". The video will be shared with classes as a seesaw activity on Monday so you can give it a go with your students at some point next week and come back to it as often as you want to!

If you have any questions for any member of the Allied Health Team, contact MSS on 9743 4966.
